## To the New Zealand Council of the New Zealand Labour Party

We have audited the attached Return of the Party Election Expenses (the Return) for the 2011 General Election regulated period 26 August 2011 to 25 November 2011. The Return is prepared in compliance with section 106 of the Electoral Act 1993, and provides information about party election expenses incurred by the New Zealand Council of the New Zealand Labour Party.

### Secretary's Responsibilities

The Secretary is responsible for ensuring that the Electoral Commission receives a return of the Party's election expenses incurred by the Party for the period 26 August 2011 to 25 November 2011.

### Auditor's Responsibilities

It is our responsibility to express an independent opinion on the Return in terms of the requirements of section 206L of the Electoral Act 1993.

### Basis of Opinion

An audit includes examining, on a test basis, evidence relevant to the position disclosed in the Return as regards whether or not total incurred expenditure was less than the permitted maximum expenditure.

We conducted our audit in accordance with New Zealand Auditing Standards. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to obtain reasonable assurance that 'the Party total election expenses not exceed the maximum amount prescribed by section 206C' disclosed by the Return is free from material misstatement whether caused by fraud or error.

In forming our opinion we were reliant on the source documentation provided to us by the Council and candidates disclosing party vote related expenses.

Grant Thornton provides tax advice to the New Zealand Council of the New Zealand Labour Party. Other than in our capacity as auditors of the New Zealand Council of the New Zealand Labour Party, we have no other relationship with, or interests in, the New Zealand Council of the New Zealand Labour Party.

### Opinion

In our opinion the Return submitted by the Secretary on behalf of the New Zealand Labour Party is correct.

The Return submitted by the Secretary on behalf of the New Zealand Labour Party shows the position that election expenses incurred in the 2011 General Election as defined in section 206C of the Electoral Act 1993 did not exceed the permitted maximum as defined in section 206D of the same Act.

Our audit was completed on 19 March 2012 and our opinion is expressed as at that date.
