AUDIT REPORT

To The Electoral Commission

We have audited the attached Party Election Expenses Return (The Return) for the 2014 General Election. The Return is made in accordance with Section 206L of the Electoral Act 1993. The Return sets out the election expenses of the Alliance Party of New Zealand for the 2014 General Election.

Financial Agent's Responsibilities

The Financial Agent is responsible for the preparation of a Party Election Expenses Return which fairly reflects the election expenses incurred by the Alliance Party for the 2014 General Election for expenses incurred for the period 20 June 2014 to 19 September 2014.

Auditor's Responsibilities

It is our responsibility to express an independent opinion on The Return presented by the Financial Agent.

Basis of Opinion

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in The Return.

We conducted our audit in accordance with International Standards on Auditing (New Zealand). We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to obtain reasonable assurance that The Return is free from material misstatements, whether caused by fraud or error. In forming our opinion we have also evaluated the overall adequacy of the presentation of information in The Return.

Other than in our capacity as auditors we have no relationship with, or interest in, the Alliance Party.

Qualified Opinion.

Section 206C of the Electoral Act 1993 states that where a party is listed in that part of the ballot paper that relates to the party vote, the party's election expense in any regulated period must not exceed the amount of \$1,091,000, if the party contests the part vote plus the amount of \$25,700 for each electoral district contested by a candidate for the party. Based on the Alliance Party's one candidates the maximum expenditure allowable for the Alliance Party was \$25,700 for the 2014 General Election.

In our opinion the position shown in The Return in respect of the requirement that the Alliance Party's total election expenses did not exceed the maximum amount prescribed by Section 206C is correct.

The Return discloses total expenditure of \$0. There are no practical audit procedures to determine that the inclusion and capture of all advertisements and the full commercial value of materials or advertising space apportioned from individual candidates or provided free of charge has been recorded. In this respect alone we have been unable to form an opinion as to whether the position recorded is correct.

In our opinion:

- We received from the Financial Agent all the information that we required to carry out our duties;
- Proper records of The Party's election expenses were in our opinion, kept by the Financial Agent; and
- Access was at all reasonable times available to all records, documents, and accounts that relate to The Party's election expenses and held by the Financial Agent.

Our audit report was completed on 26th March 2015 and our audit opinion is expressed as at that date.
