## Party Donations

A party donation is a donation of money (or the equivalent of money), goods or services that is made to a party, or to any person or body of persons if there are reasonable grounds to believe that the donation is intended for the benefit of the party. A party donation includes:

- a donation of money or the equivalent of money, including where a person pays something for the party
- where a party is provided with goods or services free of charge that have a reasonable market value of more than \$1,500 (or \$50 if provided by an overseas person - see Part D for more information on who is an overseas person)
- where a party is provided with discounted goods or services and the reasonable market value of the goods or services is greater than \$1,500 (or \$50 if provided by an overseas person); the difference between the contract or agreed price and the reasonable market value of the goods or services is a donation

- when a party sells over-valued goods or services, the difference between the price paid and the reasonable market value is a donation (for example a fundraising auction or dinner)
- where credit is provided to a party on more favourable terms than those prevailing at the same time for similar credit, the value of the favourable terms is a donation.

### The following are not a party donation:

- free labour
- goods or services provided free of charge to a party, or to any person on the party's behalf, that have a reasonable market value of \$1,500 or less (or \$50 or less if from an overseas person), or
- a candidate donation that is included in a candidate's return of donations.

## PART A: PARTY DONATIONS OF MORE THAN \$5,000

### Instructions for Part A – Donations over \$5,000

Party donations of more than \$5,000 (including GST) received during 2023 are required to be declared in **Part A**, including a series of donations received from the same donor during the year that add up to more than \$5,000. Also include those donations exceeding \$20,000 received during election year and reported under section 210C.

Do not include in **Part A** contributions to donations, anonymous or overseas donations, donations protected from disclosure, or donations not exceeding \$5,000 (see **Parts B, C, D, E, F** and **G**).

You need to record the name and street address of the donor, the date the donation was received and the amount received from the donor. Where you have received a number of donations from the same donor you should include each date on which a donation was received from the donor and the aggregated total from the donor. You also need to confirm whether any person (other than the donor) has contributed more than \$5,000 to the donation (or more than \$50 if the contributor is an overseas person). Contributions of more than \$5,000 must be disclosed in **Part B** (or **Part E** for overseas contributors).

For any donations from a trust, include the name of the individual at whose direction the donation was made.

# PART B: CONTRIBUTIONS OF MORE THAN \$5,000

### Instructions for Part B - Contributions over \$5,000

A contribution is money, goods or services that makes up a donation or is included in a donation or has been used to wholly or partly fund a donation, that was given to the donor or a person who was expected to pass the contribution to the donor. Only complete **Part B** if the donation in **Part A** includes a contribution, from someone other than the donor, exceeding \$5,000.

For each contribution in **Part B** you will need to provide:

- the name and street address of each contributor
- the line number of the donation in **Part A** that the contribution was part of and the date the donation was received
- the amount of each contribution made by the contributor, or in the case of multiple contributions, the total amount of the contributions from the same person to the donation during the year.

**PART C: ANONYMOUS PARTY DONATIONS OF MORE THAN \$1,500**

**Instructions for Part C – Anonymous donations over \$1,500**

An anonymous donation is a donation made in such a way that the party who receives the donation does not know the identity of the donor and could not, in the circumstances, reasonably be expected to know the identity of the donor.

If an anonymous donation is over \$1,500 the party is entitled to keep \$1,500. The balance of the donation must, within 20 working days of receipt, be paid to the Electoral Commission for payment into a Crown bank account.

**Anonymous overseas donations over \$50**

Where you have reasonable grounds to suspect the anonymous donor is an overseas person, the party is entitled to keep \$50. The balance of the payment must be paid to the Electoral Commission for payment into a Crown bank account. Please see Part D for more information on who is an overseas person.

In **Part C** you must declare:

- the date the donation was received; and
- the amount received; and
- the amount paid to the Electoral Commission; and
- the date payment was made to the Electoral Commission.

An overseas person is:

- an individual who resides outside New Zealand and is not a New Zealand citizen or registered elector, or
- a body corporate incorporated outside New Zealand; or
- an unincorporated body that has its head office or principal place of business outside New Zealand.

If a donation from an overseas person is over \$50 (either on its own or when aggregated with all other donations made by or on behalf of the same overseas person during the year) the party is entitled to keep \$50 and within 20 working days must either return the excess to the donor or pay the excess to the Electoral Commission.

In **Part D** you must declare:

- the name and street address of the overseas person; and
- the date the donation was received or, in the case of multiple donations, the date each donation was received; and
- the amount of the donation or, in the case of aggregated donations, the total amount of the donations; and

If that is not possible, you must forward the whole donation to the Electoral Commission.

In **Part E** you must declare:

**PART F: DONATIONS PROTECTED FROM DISCLOSURE**

**Instructions for Part F – Donations protected from disclosure**

A donation protected from disclosure enables a person to make an anonymous donation of more than \$1,500 to a registered party without their identity being disclosed to either the public or the party receiving the donation.

The current maximum amount that an individual or body can donate to any one party through this process is \$56,028 between two successive elections. No party may currently receive more than \$373,520 from donations protected from disclosure between two successive elections.

In **Part F** you must declare:

## PART G: OTHER PARTY DONATIONS UP TO \$5,000

### Instructions for Part G – Other party donations up to \$5,000

The total number and value of other party donations received in the following bands must be disclosed in **Part G**:

- anonymous party donations of \$1,500 or less
- all other donations not exceeding \$1,500
- party donations of more than \$1,500 up to and including \$5,000.

Although aggregation is generally required for donations there is no requirement to aggregate donations from the same donor for the purposes of determining what donations to include and in which band in **Part G**. If a donor has made more than one donation in a category each donation should be counted separately when calculating the number of donations.

### Example:

If you received two donations of \$2,000 from the same donor in the calendar year, these should be recorded as two donations in the 'Donations exceeding \$1,500 but not exceeding \$5,000' band.
