# Manager responsibilities

---

As the Voting Place Manager you must balance a range of responsibilities, depending on what is happening in the voting place.

The key areas of management of a voting place are:

## Manage staff

- Brief staff as they arrive.
- Clearly direct staff in what they need to do more details can be found in the other personal instruction manuals.
- Give staff breaks as appropriate with voter flows. Have a plan for all your staff, including break times for yourself.
- Consider who will fill roles (if required) in the voting place during breaks.

## Accuracy

- Check regularly and document on Form L - Process Check that staff are completing their tasks correctly.

Ensure that:

- Ordinary Vote Issuing Officers are asking voters to state their name and are issuing the correct ballot paper
- Special Vote Issuing Officers are checking that the declaration and enrolment forms are complete and are issuing the correct ballot paper
- Voter Assistants are giving voters with the correct information to vote and are directing voters to the correct queue.

## Security

- [Redacted]
- [Redacted] 6(e) [Redacted]
- [Redacted]
- [Redacted]
- [Redacted]

## Health & Safety

- Stay at home if you are unwell. Call your electorate HQ to let them know as soon as possible if you cannot work because you are sick.
- Manage any hazards in the voting place, for example, find out if there are mats to use if floors are wet.
- Ensure masks and sanitiser are available to staff and voters.

## Customer service

Provide a welcoming environment for voters and scrutineers. Never refuse a voter the opportunity to vote.

Check that:

- Issuing Officers are paying attention to the voter in front of them and are providing additional assistance when needed
- Voter Assistant(s) are welcoming voters and voters are flowing into the voting place smoothly
- priority voters such as those physically unable to wait, are brought forward to the front of the queue with an Issuing Officer.

## Managing queues

- If a queue forms in your voting place the Voter Assistant should provide information to voters on how long they are likely to wait.
- Monitor the flow of voters and adjust the type of votes that your staff are issuing. For example, do you need more Issuing Officers issuing special votes if there is a long line of people enrolling and voting? You should aim for three ordinary voters to one special voter in queues.
- Ensure that ordinary voters are not disadvantaged; ordinary voters move the quickest through the voting place.
- If you are issuing many special votes for an electorate and not ordinary votes, discuss with your Mobile Support about getting shared electorate supplies.

# Before voting begins

## Before leaving home

Check that you have:

- Any keys, cards or security codes needed in the voting place.
- Enough time to get to the voting place to set up before opening for voting. Allow about 90 minutes to set up if this has not already been completed. If set up has been completed then allow 60 minutes.
- Charged, switched on and packed the voting place mobile phone and all voting place materials, including this manual.
- Chosen clothes and shoes that would not be considered inappropriate or politically biased.
- Packed food and drink for the day.

## On arrival at the voting place

- Park as close to the voting place as possible and wait for other staff to arrive.
- Voting materials cannot be left unattended. When at least one other staff member has arrived, leave them with the materials.  
Check outside and inside of the voting place for any signs of unauthorised access or damage.  
If anything seems amiss, phone your Electorate Manager using the voting place mobile phone.

## Before entering the voting place - Health and Safety

- Check the M41-VPASSESS form that any hazards identified when the premises were inspected by your Electorate Manager have been removed or isolated.
  - If the hazard(s) still exists or if any new hazards are found, write these on Form P - Hazard Notice.
  - If you cannot remove or isolate any hazards identified then immediately call your Mobile Support or your Electorate Manager.
- Check the emergency procedures information for the facility. Often you will find this posted near the entrance/exit door.
  - If there are no details, you will have been provided M33-EVAC notice(s) in your Voting Place folder to attach to the wall(s) near emergency exit door(s).

## Entering the voting place

- Open all the windows and doors, or if available turn on air conditioning systems, to ensure ventilation of the voting place.
- Move the voting materials into the voting place, ensure that none are left unattended at any time.  
Then move your vehicle away from the entrance to the voting place to a well lit and open area within easy access. Ask staff and any scrutineers to do this as well.
- Complete Form U - Voting Place Check
- As staff arrive:
  - Check them off the roster
  - Ask them to read the health and safety information in the back pages of their PIM and sign in on Form S In your Voting Place folder
  - Provide them with their ID and orange vest.
- If you have a staff member arrive who you are not expecting, phone electorate HQ to confirm that they should be working.
- Contact any of your staff who have not arrived. If they cannot be contacted, then call electorate HQ.
- Text your Mobile Support to confirm you and your staff have arrived. 
- Scrutineers may arrive at the voting place at the same time as you and your staff. You must:
  - Check their letter of appointment and secrecy declaration
  - Give them a copy of the M35-SCR briefing card to read
  - Ask them to sign in on Form T - Scrutineer sign in.
- Remove or cover any election materials visible in the voting place that promote a candidate or political party before the start of voting.
- Manage set up of the voting place.

## Staff briefing #1 - before setting up

Give this briefing to any new staff joining your team after the first day of voting

- Introduce staff to each other and yourself.
- Outline the layout of the facility including where the toilets and any break rooms are located.
- Explain what to do in an emergency situation and show any hazards that have been identified.

## Staff briefing #2 - once equipment is set up

Give this briefing to any new staff joining your team after the first day of voting

- Explain when staff are likely to have breaks, which will depend on voter flow. This should include morning tea (10 minutes), lunch (30 minutes), afternoon tea (10 minutes), and dinner (30 minutes on Election Day only).  
The roster will show what should be provided for.

Wed, 14 Oct Voting Place Open Hours: 9:00am - 4:00pm

- Mobile phones and other devices must be switched off while they are working. Advise that there is a voting place mobile phone for any calls to and from electorate HQ.
- Orange vests and ID cards must be worn when the voting place is open.

- If staff wish to vote, this must be during voting hours. Another Issuing Officer must issue their vote to them; they cannot issue a vote to themselves.
- Everyone must have completed their E20-S Dec Declaration of Secrecy and had it witnessed before voting starts. If they have not done this yet, to let you know.
- Follow the processes in the PIM or on their instruction sheets. Accuracy is more important than speed especially when there are queues of voters. Mention that you will be checking processes during the day.
- That the voter in front of them is their primary focus.
- The priorities during voting:
  - Provide a welcoming environment and look after the needs of voters.
  - Keep materials and people secure: watch the ballot boxes, pack up materials while on breaks, advise you of any suspicious behaviour or items left in the voting place.
  - Keep voters' details private. Only use their information for the purpose of enrolment and issuing votes.
  - Maintain secrecy in the voting place. No posting on social media about what is happening, no photos can be taken by staff or voters in the voting place.

**Note: You must be ready to issue votes at the advertised opening time**

## Laying out the voting place

The size and shape of the voting place will to some extent dictate how it is set up. Discuss your layout with your Electorate Manager or Logistics & Supplies Manager before your first day of voting.

You will find the expected voting place layout in the M41-VPASSESS form. The layout should allow voters an easy flow in the voting place, from entering, waiting in a queue, receiving their voting papers, marking their papers, voting and departing.

## Measure the layout

Use the following principles and mark out the voting place using your tape measure and the low tack masking tape.

These are recommended distances to help with queuing, privacy and voter management in the voting place. Depending on the size of your voting place, you may be able to increase the spacing.

- Space behind the issuing point desks, to allow staff to move behind a seated Issuing Officer and to safely store materials
- 1 metre between voters in the queue - mark with tape
- For the special vote queue, place a chair immediately behind each strip
- For privacy, measure 1 metre between the voting screens: consider the best orientation for these, you may need to face them sideways to maintain some privacy
- Where possible do not extend queues back where voters waiting can see someone marking a ballot paper
- 1 metre from the scrutineer/special vote waiting seats along the wall the voting queue.

Below are the principles applied to a voting place with two issuing desks.

Larger voting places will need to add a desk for the Voting Place Manager.

Choose a location for the Manager's desk that allows:

- access for staff and scrutineers to sign in
- issuing of takeaway votes
- scrutineers to photograph Form V - Voter Record Sheet

If you have space, locate the Voter Assistant's station a distance inside the entrance door to allow some queueing inside the voting place.

# Setting up the voting place

## TASKS AT SET UP

1	Check access for people with mobility needs	p. 13
2	Arrange voting screens equipment	p. 14
3	Arrange signage	p. 15
4	Arrange ballot boxes	p. 16
5	Spare voting materials	p. 17
6	Manager's supplies	p. 17
7	Issuing Officers' supplies	p. 17
8	Voter Assistant's supplies	p. 18
9	Arrange the cardboard table top stands	p. 18

You lead these processes and direct your staff to assist as required.

## 1. Check access for people with mobility needs

Your Electorate Manager will have checked access before choosing the site as a voting place.

- Make sure that there are no obstacles in car parks, pathways, ramps and doorways that hinder good access to and within the voting place.
- If none are already provided, reserve a mobility parking space by using the E154 parking sign. Make sure the sign is clearly visible to a driver approaching that parking space.
- Place E72 and E72A labels to direct voters with mobility needs to access the voting place.

## 2. Arrange voting screens equipment

- Set up E124 free-standing voting screens, preferably at least one metre apart, orientated to give as much privacy as possible. Assembly instructions are printed on the screen.
- Set up one table-top screen (two for a large voting place) and seating for elderly voters and voters with disabilities. Do not use a cardboard table for this.
- Put a E200 disposal box for strips in the screens and attach an orange marker to each side of the screens for left and right handed voters.
- You will need to check voting screens during the day and keep them clean and tidy.

### 3. Arrange signage

- Place directional signs (E61, E131, E152, E153 and/or E155)
  - to make the voting place location clear from a distance
  - to direct voters from the street into the voting place.
 Check the M41-VPASSESS form for suggested locations.

- Display the following posters at the entrance to the voting place:
  - E60-V Enrol and vote here poster
  - E60-AV advance voting enrol and vote here poster
  - E62 No Photography or filming poster
  - E60-RESPECT Respect staff poster (not pictured)

- Display the E60-BYOD poster near where people will queue for special votes.

- Display the following posters immediately inside the voting place on the wall or on an E210 signage stand:
  - E60-VI Voter Information poster
  - E74 Hearing poster
  - Form P - Hazard Notice
  - E15 Party lists showing all sides

- If supplied, place an E210 signage stand behind the issuing points displaying the appropriate issuing point posters (E60-OV and/or E60-SV). Otherwise you may be able to blu-tack the posters to the wall.

- Put a No Photography or filming poster on one of the voting screens, facing voters as they walk towards the screens.

## 4. Arrange ballot boxes

### For the enrolment forms box:

- Assemble the box if not already done.
- Place the box, unsealed, between or behind the Special Vote Issuing Officers' desks.

Ask your Voter Assistant to complete the integrity check as outlined in their PIM.

### For the ballot boxes:

- Assemble the ballot boxes and label with the appropriate E70 electorate label(s) if not already done (instructions are printed on the ballot box).
- Affix the longer cable ties through the side holes in each box to form wide loops.
- For each ballot box:  
Have the Voter Assistant and an Issuing Officer confirm that all ballot boxes are empty.  
Seal the ballot box with a numbered seal and record the seal number on the panel on the back of the box.

Seal number	Sealed by	Checked by	Date	Reason for removal
32640	VA	IO	02/10/23	

- Arrange the ballot boxes with home general and home Māori electorates first, followed by shared electorates in alphabetical order. Then the special votes box.

- For the tall ballot boxes:
  - Stand them on the floor in the correct location in the voting place
  - Tether the boxes to each other with the longer cable ties.
- For the small ballot boxes:
  - Stand them on a chair or table if you have one
  - Either tether them to each other or to the chairs.

## 5. Spare voting materials

Store spare materials out of sight, near the Issuing Officers and away from public access.

If your voting place has no secure area as outlined in the M41-VPASSESS form to hold spare voting materials, you may have been provided with a day storage box.

If a padlock has been supplied, keep the key with you at all times.

Day storage box

## 6. Manager's supplies

- Put aside the pad of E2 special vote ballot papers marked 'Master' to photocopy from if required. Do not issue these papers
- Keep your Voting Place folder at hand
- Ensure the Electorate Manager can contact you at any time through the voting place mobile phone
- Keep any keys or access card to the voting place on you at all times, in case you need to lock the voting place in an emergency
- Ensure the takeaway votes satchel contains the correct materials and is securely stored until it is required
- Check that Form K correctly records the pack(s) of takeaway vote declarations in your supplies.

## 7. Issuing Officers' supplies

- Use the roster in the voting place folder to check which staff should be arriving and what role they each have.

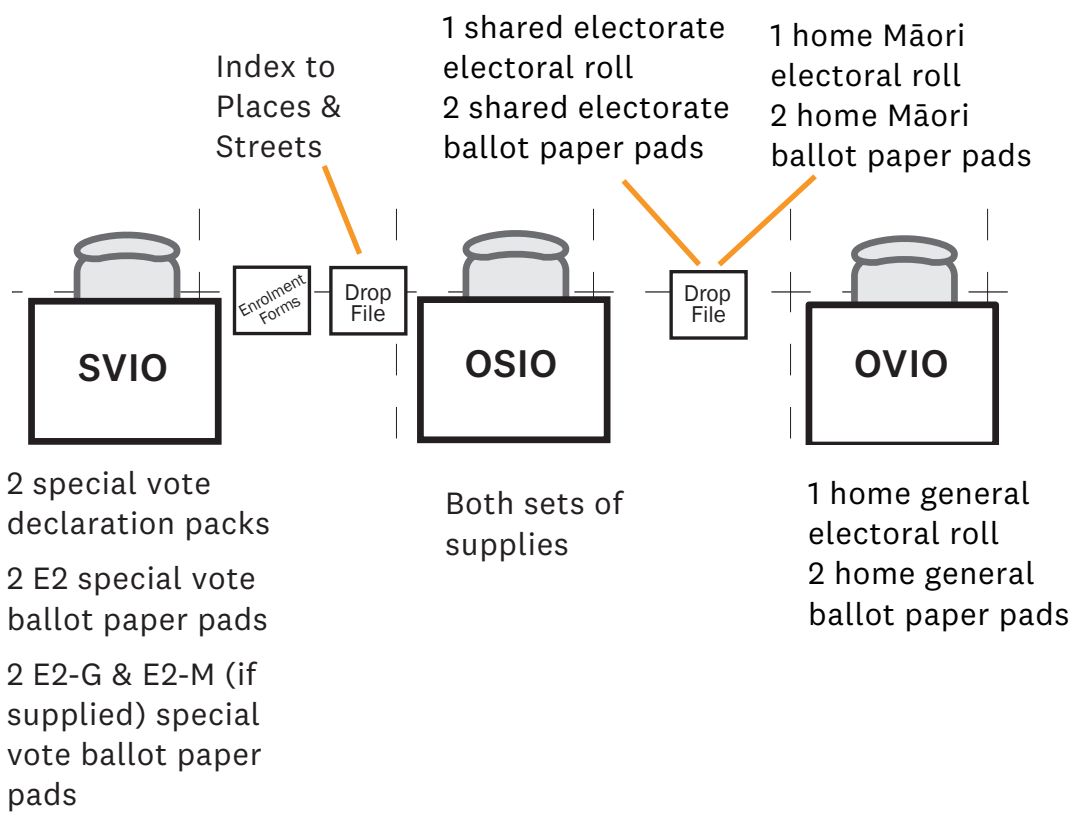

This will indicate how many issuing desks you should have in your voting place and what role will be at each desk

Wed, 14 Oct Voting Place Open Hours: 9:00am - 4:00pm

- Give drop files to Issuing Officers to set up and place between their table and their neighbouring Issuing Officer, especially for shared electorates, and to provide more issuing officers for voters on the Māori roll
- Allocate an IP stamp and satchel to each issuing desk. Satchels will have different stationery supplies for each role.  
E.g. Ordinary Votes Issuing Officer (OVIO), Special Votes Issuing Officer (SVIO) or a Ordinary and Special Votes Issuing Officer (OSIO).
- Allocate the materials to each issuing desk depending on the role:
  - Electoral rolls
  - Ordinary ballot paper pads
  - Special Vote declarations
  - Special vote ballot paper pads
  - Index to Places & Streets
- During the advance voting period try to keep the same IP stamp with the same roll and ballot paper they

## 8. Voter Assistant's supplies

- Provide the Voter Assistant with the mobile phone and lanyard and ask them to log into the device and confirm that eRoll is working.  
If they have any problems they should call the IT helpdesk
- Provide the drop file, cardboard clipboards, pad of ROE1 enrolment forms, language guide sheets (M15 series) and the Incident Management handbook
- Consider how you will return clipboards from Issuing Officers back to voters waiting in the queue to vote

## 9. Arrange a cardboard table top stand

- Use the bottom part of a table-top screen to create a cardboard table top stand with the E125 cardboard cap
- The stand is the station at the entrance for the Voter Assistant. Add the brochures supplied (ROE47 and ROE47B) in the E166 brochure holder

## Scrutineers

Candidates and in some cases parties may appoint scrutineers to observe the issuing of votes. Note: Candidates cannot be scrutineers.

Scrutineers may arrive at the voting place at the same time as you and your staff or after voting begins.

You will have limited seating for scrutineers; political parties and candidates have been made aware of this. Talk with your Mobile Support or Electorate Manager if you have any questions about accommodating them in your voting place.

### Party lapel badges

Scrutineers and other persons (other than electoral officials) are permitted under the Electoral Act 1993 to wear party lapel badges. This is an example of what lapel badges can display.

Party lapel badges (a badge or rosette to be worn on the lapel) may be in party colours and contain the party name, emblem, slogan or logo.

Refer anyone with further questions or complaints to the Electoral Commission **6(c)**

Refer to the E5 Scrutineer Handbook or 'Troubleshooting' section of the E3-2 Issuing Votes manual if you have concerns about the conduct of a scrutineer.

## Scrutineer checks and briefing

Ask the scrutineer to show their written appointment and a signed Declaration of Secrecy to you. There is a declaration and appointment form in the Scrutineer Handbook or the E20-S Dec form may be provided separately from your Voting Place folder.

If a scrutineer has not completed a Declaration of Secrecy they must do so in front of you. Scrutineers retain their forms and you are only required to check that they are correct for your voting place.

- Security: are there any issues that need to be resolved?
- Provide and encourage every scrutineer to wear the E56-SCR scrutineer name label that you will have in your supplies.
- Scrutineers must read and acknowledge the M41-SCR briefing card and complete Form T Scrutineer Sign-in, before starting their duties. These can be found in the Voting Place folder.
- Ensure scrutineers sign out on Form T when they leave the voting place

## Collection of voter records

Scrutineers will not record the page and line number of voters directly as they are issued with their ballot papers. Issuing Officers will be recording this on Form V as part of the issuing process.

Scrutineers are permitted to photograph the lists of page and line numbers during the opening hours of the voting place.

When a scrutineer requests to do this, you will collect the forms from the Issuing Officers and lay them on your Manager's table, if you have one.

Make sure the forms are stamped with the Issuing Officer's issuing point stamp, and the date and time has been completed. Note that the forms are double sided.

A scrutineer can photograph sheets that were completed before they arrived at the voting place. You will need to file each day's forms in a separate plastic bag

All scrutineers who enter the voting place only to photograph the forms must check in with you by showing their letter of appointment and secrecy declaration. They must sign in and out on Form T.

The image shows a form titled 'FORM V VOTER RECORD SHEET FOR SCRUTINEERS'. At the top, there are fields for 'Election No. and Name', 'Voting Place No. and Name', 'Date', 'Time page completed', and 'IP stamp'. Below these fields are two tables. Each table has three columns: 'Electorate', 'Page', and 'Line'. The tables are designed for recording voter information. The form is labeled 'FORM V' on the right side and 'VOTER RECORD SHEET FOR SCRUTINEERS' at the bottom.

# During voting

There are a number of tasks the Voting Place Manager needs to complete during the day.

Through the day:

<p>Ongoing tasks</p>	<ul style="list-style-type: none"> <li>• Be clear and direct in telling staff what to do – take charge</li> <li>• Never refuse a voter the opportunity to vote at your voting place</li> <li>• Advise your Electorate Manager of any unusual circumstance or difficulty as soon as it happens</li> <li>• Make sure that your Electorate Manager is able to contact you at any time (mobile phone)</li> <li>• Record any ballot papers added to or removed from the voting place (by the Mobile Support) including any photocopied or handwritten ballot papers on the appropriate form as you issue these to Issuing Officers</li> </ul>

# Issuing takeaway votes

A 'takeaway vote' is issued when a voter is unable to attend a voting place either before or on Election Day. No-one, not even a person with a power of attorney, can cast another person's vote on behalf of that person.

A voter may apply for a takeaway vote:

- In writing, generally by completing an E78 Unable to get to a Voting Place application form or it could be a letter, e-mail or text (SMS)
- By verbal instruction given to a friend, family member, or caregiver of the voter.

You will usually be responsible for issuing takeaway votes.

All takeaway votes must be issued as special votes and details of each vote recorded on Form K - Takeaway Votes. Form K is kept in your takeaway votes satchel.

## Note:

- Electoral rolls are not used during the takeaway vote issuing process
- **Never mark a takeaway voter's name off a printed roll**
- You do not need to check whether the voter is enrolled before issuing a takeaway vote
- Any issuing point stamp can be used to issue a takeaway vote.

To complete a takeaway vote, you require the following:

Takeaway special vote declaration/envelope (E83)

Special vote ballot paper for the voter's electorate

These items will be placed into an E79 envelope.

## Procedures for issuing takeaway votes when the voter is NOT present

1	Greet the voter's agent. Get the takeaway vote satchel.
2	<p>Ask the agent:</p> <p>Do you have a written application to obtain a vote on the voter's behalf?</p> <p>(For example, a completed E78 application, letter, email or text)</p> <p>"No" go to step 3 "Yes" go to step 4</p>
3	<p>Ask the agent:</p> <p>Has the voter asked you to pick up a vote on their behalf?</p> <p>"Yes" go to step 4 "No" give the agent an E78 application form and ask them to return with written permission from the voter</p>
4	<p>Ask the agent:</p> <p>What is your relationship with the voter?</p> <p>If they are a family member, friend, caregiver or some other person who has an obvious direct relationship with the voter, go to step 5</p>

If you do not have space in the voting place for a Manager's table, you may need to ask the agent to wait in the special votes queue until a special votes desk is available to issue them with the takeaway vote.

Make sure you that you first pack up the special vote materials as not to confuse them with the takeaway vote materials.

The Manager must complete the following reconciliation forms:

- **Form A:** for each electorate - ordinary votes issued (Envelope P4)
- **Form B:** for special vote declarations issued in person (Envelope S6) (not takeaway votes)

The reconciliation forms should be prepared by electorate HQ prior to the start of voting. They will have a label like the one below and have recorded the first number of each ballot paper pad or declaration pack supplied to you.

## Reconciliation app backup process

If you are unable to use the reconciliation app, call HQ to advise them that you will be following the backup process.

### **During advance voting**

Ordinary votes:

Count the number of entries on all Form V – scrutineer record sheets used during the day for each electorate and write this in the ‘ballot papers issued’ box on Form G.

Report this number back to your HQ.

You will need to do this for each electorate that you issued ordinary votes for.

Special votes:

Use the information recorded on the M14-VMMARKER card and record on the back of Form G for the home general electorate the number of:

- fully used and unused declaration packs
- total number of declarations remaining in part-used packs.

Also record the number of:

- spoiled declarations in Envelope S1
- daily issued enrolment forms
- total issued takeaway votes.

Report these numbers back to your HQ.

### **On Election Day**

Ordinary votes:

Count the candidate votes twice and record both results.

If these numbers do not match, transfer the second result to the ‘Less candidates votes’ section on the bottom of EMS11-P Party Vote counting sheet for the electorate counted.

Report to HQ the total number of votes counted as the number of ballot papers issued to voters.

Special votes:

Count the special votes twice and record on Form F.

Report this number to your HQ when asked for the number of special votes that you issued.

# If you are working on Election Day move on to the preliminary count on page 52

## 4. Complete Form Q - Daily report

Write down anything notable from the day and any issues or concerns.

Use this as a prompt for your next conversation with your Mobile Support or Electorate Manager.

During advance voting:

It is also useful if you are not the Manager the following day, for your replacement to understand what has been happening in the voting place.

## 5. Recharge and store the mobile phone

While you are packing up the voting place for the night, plug the mobile phone in to charge. It is supplied with a quick charger.

When the voting materials are packed away for the evening, switch off the phone to store it securely overnight with the other key voting materials, away from heat or liquids.

If you are storing materials away from your voting place during advance voting, then leave the phone switched on until you have completed this task.

Switch the phone on immediately when unpacking materials the next morning and check for any messages.

## 6. Complete Form U - Voting Place check

It is important to complete the end of day checklist on Form U, to ensure that all tasks have been completed before going home.

## TASKS FOR SOME DAYS

- 1 Phase change of materials
- 2 Return of special vote envelopes before the end of voting

### 1. Phase change of materials

If your Voting Place is expected to issue more than 2,000 ordinary votes for a single electorate during advance voting, then you are likely to complete a phase change for those voting materials.

A phase change makes other processes like counting the ballot papers more manageable as well as removing a large number of votes to secure storage at electorate HQ.

The Electorate Manager or Logistics & Supplies Manager will advise if you will be required to have a phase change and if so, at the end of which day. Your Mobile Support will assist you with the process. There is a film clip you can watch in the 'Additional Info' section on the reconciliation app.

To complete a phase change for an electorate:

1 At the end of the day of voting, complete ordinary vote reconciliation as usual

- 2
- Pack up the materials for that electorate into an E206 supplies box
  - Mark the supplies box with 'Voting Place [number], Phase 1'

The diagram illustrates the packing process for three types of materials into specific envelopes:

- Spoilt votes:** Spoilt ballot papers are packed into Envelope P1 (Parliamentary Ordinary Spoilt Ballot Papers).
- Pads:** All pads of ballot papers (used, unused, and part-used) for the electorate are packed into Envelope P2 (Parliamentary Ordinary Ballot Paper Pads Used, Unused and Part Used).
- Questioned votes:** Completed Form N Questions to voter and Questioned ballot papers are packed into Envelope P5 (Electorate Questioned Votes).

- Seal Envelopes P1, P2 and P5 with a signed security sticker
  - Record the sticker number and number of papers contained on Envelopes P1 and P5
- Note: if Envelope P1 or P5 are empty, mark '0' on the front*
- Pack Form A, the material marker cards, packing sheet and Form J into Envelope P4 and leave unsealed.

The diagram shows the packing process for Envelope P4 (Parliamentary Ordinary Reconciliations and Results):

Ordinary votes

All electoral rolls for the electorate being changed over, must be returned.

All issuing point stamps used up to this time in the voting place must be returned with Phase 1 materials, whether or not they have issued votes for this electorate.

- Fix the slot cover over the slot on the ballot box with the short cable ties
- Seal the supplies box with a signed security sticker
- Write the number of the sticker on the top of the supplies box
- Update Form O - Return of Materials

3 Once Phase 1 materials have been packed, the ballot box for Phase 2 can be opened and the contents checked against the consignment and tracking notes, ready for issuing the next day

4 Note: next time you complete a reconciliation you will need to select a different phase in the app for the electorate you have done a phase change for example use AV2 instead of AV1

5 The materials should immediately be returned to electorate HQ for secure storage using two staff members.

## 2. Return of special vote envelopes before the end of voting

If the voting place issues many special votes, the Mobile Support may collect these for secure storage at electorate HQ. This may happen on the same day as a phase change for ordinary votes.

1 Secure the special votes ballot box by fixing the slot cover with thin cable ties

2 Ensure you have a new, empty special vote ballot box for the next day of voting

3 Update Form O - Return of Materials.

## TASKS AT THE END OF THE VOTING PERIOD

- 1 Final voters
- 2 Pack materials and equipment
- 3 Final checklist
- 4 Return voting materials and supplies to electorate headquarters

### 1. Final voters

If there is a queue of voters at the close of voting on your last day or Election day, you should bring people into the voting place before closing the door. This may mean your staff are issuing votes beyond the advertised closing time.

- 1 Move any voters waiting outside of the voting place so they are inside before the closing time.
- 2 Lock the door(s) at the advertised closing time:
  - Have a staff member stand next to the door to allow voters to leave. If you have a security guard they can help with this task
  - Ask a staff member to bring in all of the outside signs
  - Issuing officers will issue ballot papers to voters who are in the voting place before closing time.
- 3 Remind staff to keep their mobile phones off until they leave at the end of the night
- 4 **ELECTION DAY:**  
Keep the ballot boxes sealed until the last voter has left and the doors are locked.
- 5 **ADVANCE VOTING:**  
The ballot boxes must remain sealed at all times.

**Complete regular end of day tasks including reconciliation**

## 2. Pack materials and equipment

**IMPORTANT:** Packing up voting materials correctly and tidily is critical for electorate HQ staff preparing for post-election processes. If you do not pack up your voting place materials according to the following instructions you will be asked to repack them at the electorate HQ.

Manager assigns these tasks to staff:

**Provide M14-PACKOV and M14-PACKSV A3 packing sheets from the P4 and S6 envelopes.**

1. Pack special vote materials (Step 2.1)

2. Pack ordinary vote materials (Step 2.2)

3. Pack other supplies and equipment (Step 2.6)

4. Tidy and reset the facilities as required.

Manager completes these tasks while staff pack other materials:

1. Check and seal envelopes (Step 2.3)

2. Pack boxes (Step 2.4)

3. Label and seal boxes (Step 2.5)

4. Check that the facility has been reset as required.

Ordinary vote materials (section 2.2): Instruct staff to pack all the ordinary vote materials neatly into a E206 supplies box for each electorate.

### Election Day

Special vote materials (section 2.1): Instruct staff to pack all the special vote materials and other items neatly into the special votes ballot box

Ordinary vote materials (section 2.2): Instruct staff to pack all the ordinary vote materials neatly into each electorate's ballot box.

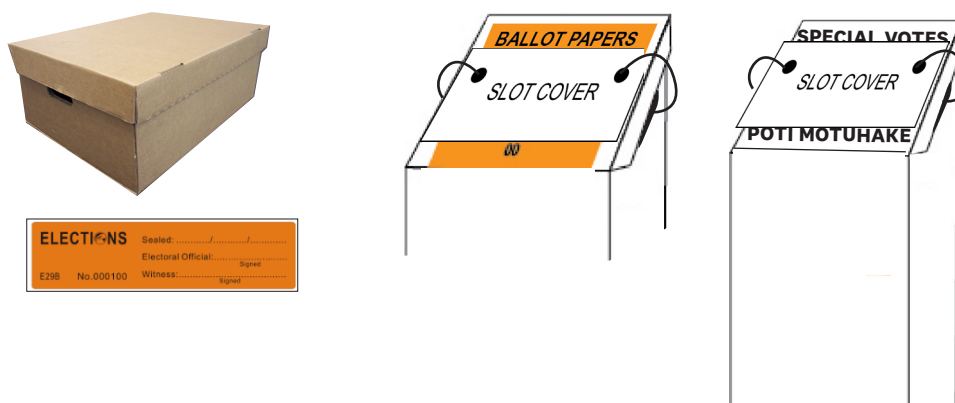

## 2.5 Label and seal boxes

- If not already completed, write on the top of each supplies box:  
(*ELECTORATE NAME*)  
(*NAME OF VOTING PLACE*)  
If there is more than one supplies box for any one type of voting materials, ensure that the boxes are numbered, for example 1 of 2

### Advance voting

- Seal the supplies box containing the envelopes, ballot papers and declarations, with a signed security sticker.
- Write the number of the security sticker on the top of the supplies box(es).
- Fix the slot cover to the ballot box with the small cable ties. Leave the ballot box sealed.

**Election Day only:** Seal the ballot boxes with a security seal and log the details on the box

## 2.6 Pack other supplies

Instruct staff to pack all the remaining supplies into one or more supplies box(es). This will include the voting place folder, satchels, all stationery, Index to Places & Streets, posters, unused enrolment forms and envelopes, checklists, brochures, signs and forms.

**During advance voting:** If your materials will be handed over for Election Day, the other equipment can be left set up.

If not, pack up the election equipment that can be dismantled and stack it together in the agreed position inside the voting place. You may have cardboard issuing tables, screens and signage stands, folding chairs and sandwich board signs.

**On Election Day:** Pack up the election equipment that can be dismantled and stack it together in the agreed position. You may have cardboard issuing tables, screens and signage stands, folding chairs and sandwich board signs.

### 3. Final checklist

Leave the voting place tidy and in the state that you found it  
(for example the tables and chairs are as they were when you arrived)

Move your car close to the entrance to the voting place.  
Ask staff to assist you to monitor and move voting materials and  
supplies to vehicle(s) for their return to electorate HQ.  
Do not leave the materials unattended in a car at any time

Ask all staff to sign out and thank them for their help

Turn off the lights and heating and lock the premises.  
Activate any security devices and return keys (if applicable).

### 4. Return voting materials and supplies to electorate headquarters

At the end of advance voting you must have another staff member with you when returning the materials to HQ. On Election Day the staff members may need to help you return the voting materials and supplies to electorate HQ if you cannot fit all of the materials in one car. You must ensure that the ballot boxes and other supplies are kept within the custody and care of yourself and another electoral official at all times.

When voting materials and supplies are returned, electorate HQ staff will check that all materials are accounted for and check the contents of the supplies boxes.

If the supplies are not in order, you or the person delivering them will be required to repack the boxes.

The Electorate Manager may direct Voting Place Managers in some electorates to deliver ballot boxes and supplies to an agent rather than directly to electorate HQ. The agent will check the materials, have you sign Form M - Agent's Receipt and keep the materials in secure custody before returning them to electorate HQ.

**Congratulations!**

**Thank you for your participation and contribution  
to our team effort.**

# ELECTION DAY ONLY

## Preliminary count of ordinary votes

The preliminary count involves counting the **ordinary votes only**.

There are six parts to completing the count.

**OPEN** ballot papers

**SORT** ballot papers

**CHECK** ballot papers

**COUNT** ballot papers

**ASSIST** other counters as directed

**REPORT** results

### Ordinary vote tolerance scale

If the votes counted do not balance with the total number of ordinary votes issued, this tolerance scale tells you how many votes you can be out by before you need to recount the votes:

- If the difference is **greater than** the number given, you **must** recount the votes. You only need to do **one** recount.
- If the difference is **less than or equal to** the number given you **do not** need to recount the votes.

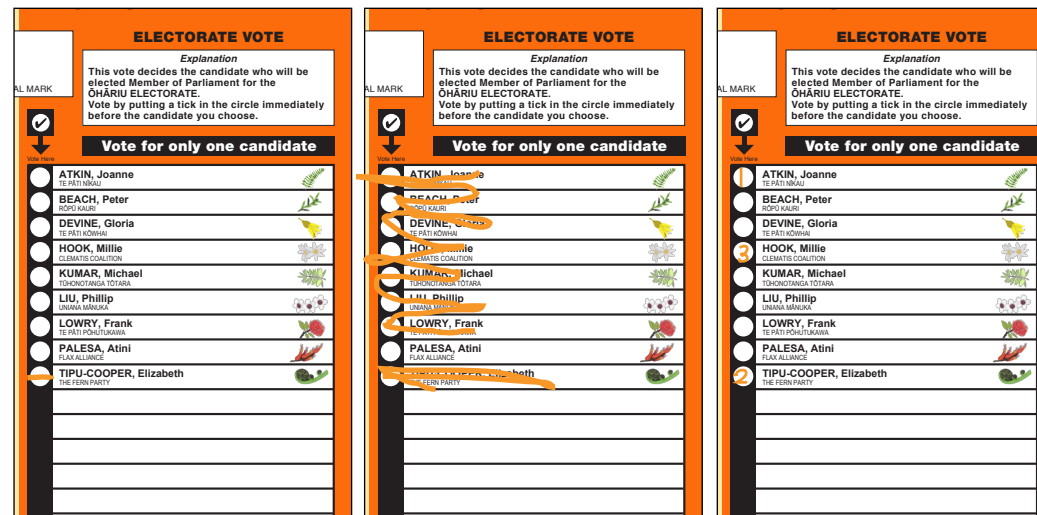

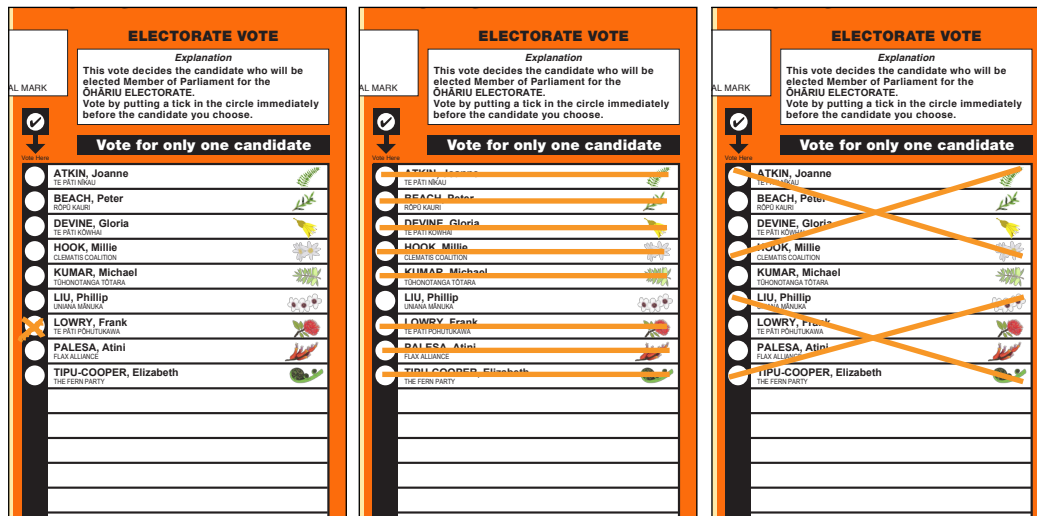

Number of votes issued	Allowed difference
1 to 100	0
101 - 200	1
201 - 400	2
401 - 600	3
601 - 800	4
801 - or more	5

# Information about informal votes

A vote is counted as an informal vote when the voter's intention on the ballot paper is unclear. Counters should ask the question this way: "the voter hasn't followed the instructions on the ballot paper, but can I determine the voter's intention?"

See the examples drawn from previous elections below.

The voter's intention is clear - i.e. *not* informal

1 is the voter's intended choice

# Counting the votes

## Prepare the ballot papers

OPEN

1	<p>Instruct staff to move issuing tables together to form:</p> <ul style="list-style-type: none"><li>• One large counting area for the home general electorate</li><li>• One small counting area for the home Māori and any shared electorates</li></ul>
2	<p>Starting with the home general electorate, break the seal on the ballot box, fill in the seal log and empty the contents onto the counting tables. Read out and demonstrate the following instructions:</p> <div style="border: 1px solid black; padding: 10px;"><p>Unfold each ballot paper one at a time. Check that each paper:</p><ul style="list-style-type: none"><li>• is the correct paper for that electorate; the electorate number is found at the top left-hand corner</li><li>• has a black sticker over the number on the ballot paper; put a sticker on any paper without one.</li></ul><p>Do not look at how the voter has marked the ballot paper. Place any ballot papers for other electorates, special vote declarations or enrolment forms to your right, face down. Continue until all the ballot papers are unfolded.</p></div>
3	<p>Check behind the flaps in the ballot box and on the floor for any additional papers</p>
4	<p>Gather and return papers to the ballot box, ready for the count</p>
5	<p>Return any materials found in the wrong box, to the correct count</p>
6	<p>Ask a staff member to repeat the process for the other counts while you complete the reconciliations</p>
7	<p>For any ballot boxes containing votes for more than one electorate, ask staff to sort these by electorate and gather them into electorate piles before returning them to the ballot box, separating each electorate with their marker cards.</p> <p>You may have been given M55-ECMARKER electorate marker cards to help with this sort; if you have, provide one marker card for each electorate to the staff sorting this ballot box.</p>

**Note:** if there are any special vote declarations or enrolment forms found in the ballot box you will need to add them to the appropriate envelope and adjust the paperwork accordingly.

Add any ballot papers for the other electorates to the count for that electorate.

## Steps for the electorate candidate count

**Note:** if there are fewer than six ballot papers, to retain voter confidentiality the votes are **not counted**. You must record ‘fewer than six votes’ on Form G beside ‘Ballot papers issued’. Then pack the voting papers and unused marker cards into Envelope P3, seal the envelope with a signed security sticker and move on to the next count.

If you have six or more ballot papers, continue with the preliminary count as instructed below:

### SORT

1	Place the candidate marker cards in alphabetical order, anticlockwise around the table. Note: you may need to move markers to make sure that markers for popular candidates (i.e. those with expected large numbers of votes) are not in front of one counter
2	Place the candidate informal marker card(s) in the centre of the table
3	Divide the ballot papers evenly among the counters
4	<p>Say to staff:</p> <p>Process each ballot paper one at a time.</p> <p>If a candidate’s marker is in front of you, place a vote for that candidate on the marker, face up.</p> <p>Note:</p> <ol style="list-style-type: none"><li>1. Candidate votes are on the right-hand side of the ballot paper</li><li>2. Make sure you do not cover the candidate’s name on the marker.</li></ol> <p>If a candidate’s marker is not in front of you, place a vote for that candidate to your right, turned face down.</p> <p>Do not place votes onto other counter’s markers.</p> <p>Place the vote on the informal vote marker if in doubt about the voter’s intention.</p> <p>Look to your left for more votes.</p> <p>Repeat the process until all votes are sorted.</p>
5	<p>Check the informal candidate votes to determine if the voter’s intention is clear for their candidate vote (see information about informal votes on pages 53-54):</p> <ul style="list-style-type: none"><li>● If the voter’s intention is clear, add the vote to the appropriate marker</li><li>● If the voter’s intention is unclear, leave as informal</li></ul>

6

Once the counters have **sorted** all the votes, say to staff:

Check each pile has votes for that candidate only.

7

Once all the ballot papers have been **checked**, say to staff:

Count votes for each marker in groups of 10, then into lots of 50.

Place the lots of 50 sideways to one another.

Record the number of votes for the candidate in the first box on the marker.

If there are nil votes, record as '0'.

Place the marker on the top of each set of counted papers.

Repeat the process until all votes are counted.

8

Ask a counter to count the informal candidate votes and to record the number of votes in the first box on the candidate marker.

If some piles of votes are large, ask counters who have finished to help others

9

Complete the **EMS11-C Candidate Vote Counting Sheet**, say to staff:

I will call out each candidate one at a time.

Please tell me the number of votes they received.

I will record the number and repeat it back to you to check.

**Note:** If there are nil votes, record as '0'

- Add the votes for each candidate and the informal votes to get the *Total Candidate Votes*
- Subtract the 'Ballot papers issued' on Form G from the 'Total Candidate Votes' and record the result as 'difference' on EMS11-C
- If the difference is not '0' find the number of votes issued on the count tolerance scale (see page 52)
- If the difference is less than or equal to the allowed tolerance, move on to step 10
- If the difference is more than the tolerance scale allows, check that:
  - the informal votes are included
  - the numbers are added correctly
  - the numbers are recorded correctly
  - the number of piles of 50 votes are counted correctly
  - all the votes are counted: check the ballot box and the floor

10

If the checks do not make the difference equal to or less than the number the tolerance scale allows:

- Recount the ballot papers **once**
- Record the new count in the second box on the candidate marker card
- Record the numbers on the recount column on EMS11-C

If the count still does not balance, **do not recount again**, move onto step 11

11

Gather up piles of candidate votes:

- If necessary rearrange each candidate’s pile from lots of 50 into a single pile
- Put the piles of votes in alphabetical order by candidate with ‘A’ at the top and the informal marker and informal votes at the bottom
- Alternate each candidate’s votes sideways

12

Transfer the ‘Total Candidate Votes’ on to the ‘Less candidates votes’ section on the bottom of EMS11-P for this electorate.

## Steps for the party vote count

When the count of ordinary votes for electorate candidates and the candidate informal votes is complete:

**SORT**

- 1** Place the party marker cards in alphabetical order, anticlockwise around the table. Note: you may need to move marker cards to make sure that those markers for popular parties (i.e. those with expected large numbers of votes) are not in front of one counter
- 2** Place the party informal marker card in the centre of the table
- 3** Place the piles of the counted candidate votes on the table **in front of** the person with that party's marker. For example, place the Labour candidate votes in front of the Labour party marker card.  
Distribute independent and informal candidate votes to the counters with the least votes in front of them.  
**Note:** Be careful to place these papers in front of, and not on top of, the party markers
- 4** Collect the candidate and candidate informal marker cards and place them away from the table. Ask the counters with more than one pile of ballot papers in front of them to combine them into one stack
- 5** Read out the following instructions to counters and then begin the count:

Process each ballot paper one at a time.  
If a party's marker is in front of you, place a vote for that party on the marker, face up  
Note:  
1. Party votes are on the left-hand side of the ballot paper  
2. Make sure you do not cover the party's name on the marker.  
If a party's marker is not in front of you, place a vote for that party to your right, turned face down.  
Do not place votes onto other counter's markers.  
Place vote on the informal vote marker if in doubt about the voter's intention.  
Look to your left for more votes.  
Repeat the process until all votes are sorted

**CHECK**

- 6** Once the counters have sorted all the votes, say to the staff:  
Check each pile has votes for that party only.
- 7** Check the informal party votes to determine if the voter's intention is clear for their party vote.  
If the voter's intention is clear, add the vote to the appropriate marker.  
If the voter's intention is unclear, leave as informal

8

Once all the ballot papers have been **checked**, say to staff:

Count votes for each marker in groups of 10, then into lots of 50.

Place the lots of 50 sideways to one another.

Record the number of votes for the party in the first box on the marker.

If there are nil votes, record as '0'.

Place the marker on the top of each set of counted papers.

Repeat the process until all votes are counted.

9

Ask a counter to count the informal party votes and to record the number of votes in the first box on the party marker.

If some piles of votes are large, ask counters who have finished to help others

10

Complete the **EMS11-P Party Vote Counting Sheet**, say to staff:

I will call out each party one at a time.

Please tell me the number of votes they received.

I will record the number and repeat it back to you to check.

**Note:** If there are nil votes, record as '0'.

Add the votes for each party and the informal votes to get the *Total Party Votes* counted.

Subtract the 'Total Candidate Votes' from EMS11-C and record the result as 'difference' on EMS11-P

If the difference is not '0' find the number of votes issued on the count tolerance scale (see page 52). If the difference is less than or equal to the allowed tolerance move to step 11.

Note: If the candidate and party vote counts do not match, you do not need to recount the votes unless the difference is greater than the allowed tolerance.

If the difference is more than the tolerance scale allows, check that:

- the informal votes are included
- the numbers are added correctly
- the numbers are recorded correctly
- the number of piles of 50 votes are counted correctly
- all the votes are counted (check the floor and the candidate marker cards)

11

**If the checks do not make the difference equal to or less than the tolerance scale allows:**

- Recount the lots of 50 ballot papers **once**
- Record the new count in the second box on the party marker card
- Record the numbers on the recount column on EMS11-P

If the count still does not balance, **do not recount again**, move on to step 12

- 12** Gather up the piles of party votes:
- If necessary rearrange each party’s pile from lots of 50 into a single pile
  - Put the piles in alphabetical order by party with ‘A’ at the top and the informal marker and informal votes at the bottom
  - Keep each party’s marker on top on its papers
  - Place the electorate candidate markers on top of the pile

- 13** Put the ballot papers and marker cards into Envelope P3 for the appropriate electorate.
- Note:** Do not overfill Envelope P3. Each envelope should hold up to 900 votes. You should have another envelope if you are expected to receive more than this amount

- 14** Repeat the preliminary count for all other electorates for which the voting place issued ordinary votes

- 15** Follow the instructions for ‘*Report the Preliminary Count Results*’.
