INDEPENDENT AUDITOR'S REPORT

To the Secretary of the Aotearoa Legalise Cannabis Party

Report on the Party Donations and Loans Return

We have audited the Party Donations and Loans Return prepared by the Aotearoa Legalise Cannabis Party for the year ended 31 December 2018. The Return is prepared in accordance with Section 210 and 214C of the Electoral Act. The Return provides information about party donations and loans received by the Aotearoa Legalise Cannabis Party.

This report is made solely for the Party Secretary. Our audit has been undertaken so that we might state to the Party Secretary those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Party Secretary, for our audit work, for this report, or for the opinions we have formed.

Party Secretary's Responsibilities

The Party Secretary is responsible for the preparation of the Return which correctly presents the Aotearoa Legalise Cannabis Party's party donations and loans return for the year ended 31 December 2018.

Auditor's Responsibility

It is our responsibility is to express an independent opinion on the Return in terms of the requirements of Section 210A and 214D of the Electoral Act 1993. We conducted our audit In accordance with International Standards on Auditing (New Zealand). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Return is free from material misstatement.

Other than in our capacity as auditor we have no relationship with, or interests in, the Aotearoa Legalise Cannabis Party.

Basis of Disclaimer of Opinion

An audit involves performing procedures to obtain audit evidence about the receipt of party donations and loans disclosed in the Return. The procedures selected depend on auditor's judgement, including the assessment of the risks of material misstatement of the Return, whether due to fraud or error. In making those assessments, the auditor considers internal control relevant to the Party's preparation and fair presentation of the Return in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Party's internal control.

While we have examined the banking records of the Party which reconcile with the return we are unable to form an opinion on the Return for the following reasons:

It is possible the Party may have received donations or loans outside these records and there is no practical audit procedure under which I could establish whether there are any party donations or loans outside these records.

Disclaimer of Opinion

Because of the potential effect of the limitation in evidence available to me I am unable to form an opinion as to whether the Party Donation and Loan return is correct.

In forming our opinion we were reliant on information provided to us by the Party Secretary.

APPENDIX to Letter of Representation

The return's contents have been determined by considering, in the following sequence, these questions and the relevant provisions of the Act:

| What benefits to the party were donations? [| sections 3, 207 and 207A] |
|---|--|
| Was the donation made to the party or to any person or organisation on behalf of the party? | The party is the registered political party. Apart from candidate donations, all donations received throughout the party administration whether at the national or local level (or other subsidiary entities) must be recorded as being received by the party. The only segment of political parties recognised distinctly in electoral law is candidates. |
| What gifts of money did the party receive? | Donations include any money donated to the party, regardless of method of payment. This includes donations protected from disclosure . |
| What gifts of goods or services did the party receive? | Any goods or services donated to the party that have a reasonable market value of greater than \$1,500 (other than volunteer labour) are donations, including the value of GST. |
| What was the difference between the contract price and the reasonable market value (including GST) of any goods or services provided to the party at a discount? | Where the reasonable market value is more than \$1,500, the difference in value (discount) is a donation. |
