Party Donations

A party donation is a donation of money, goods or services that is made to a party. A party donation includes:

- where a party is provided with goods or services free of charge that have a reasonable market value of more than \$1,500 (or \$50 if provided by an overseas person – see Part D for more information on who is an overseas person)
- where a party is provided with discounted goods or services and the reasonable market value of the goods or services is greater than \$1,500 (or \$50 if provided by an overseas person); the difference between the contract or agreed price and the reasonable market value of the goods or services is a donation

- when a party sells over-valued goods or services, the difference between the price paid and the reasonable market value is a donation (for example a fundraising auction or dinner)
- where credit is provided to a party on more favourable terms than those prevailing at the same time for similar credit, the value of the favourable terms is a donation.

The following are not a party donation:

- volunteer labour
- goods or services provided free of charge to a party, or to any person on the party's behalf, that have a reasonable market value of \$1,500 or less (or \$50 or less if from an overseas person), or
- a candidate donation that is included in a candidate's return of donations.

PART A: PARTY DONATIONS OF MORE THAN \$15,000

Instruction for Part A – Donations over \$15,000

Party donations of more than \$15,000 (including GST) received during 2020 are required to be declared in Part A, including a series of donations received from the same donor during the year that add up to more than \$15,000. Also include those donations exceeding \$30,000 received during the year and reported under section 210C.

Do not include in Part A contributions to donations, anonymous or overseas donations, donations protected from disclosure, or donations not exceeding \$15,000 (see Parts B, C, D, E, F and G).

You need to record the name and street address of the donor, the date the donation was received and the amount received from the donor. Where you have received a number of donations from the same donor you should include each date on which a donation was received from the donor and the aggregated total from the donor. You also need to confirm whether any person (other than the donor) has contributed more than \$15,000 to the donation (or more than \$50 if the contributor is an overseas person). Contributions of more than \$15,000 must be disclosed in Part B (or Part E for overseas contributors).

For any donations from a trust, include the name of the person at whose direction the donation was made.

PART D: OVERSEAS PARTY DONATIONS OF MORE THAN \$50

Instructions for Part D – Overseas donations over \$50

Donations from an overseas person

An overseas person is:

- an individual who resides outside New Zealand and is not a New Zealand citizen or registered elector, or
- a body corporate incorporated outside New Zealand; or
- an unincorporated body that has its head office or principal place of business outside New Zealand.

On 1 January 2020, the Electoral Act 1993 was amended to lower the overseas donation threshold from \$1,500 to \$50. If a donation from an overseas person is over \$50 (either on its own or when aggregated with all other donations made by or on behalf of the same overseas person during the year) the party is entitled to keep \$50 and within 20 working days must either return the excess to the donor or pay the excess to the Electoral Commission.

In Part D you must declare:

- the name and street address of the overseas person; and
- the date the donation was received or, in the case of multiple donations, the date each donation was received; and
- the amount of the donation or, in the case of aggregated donations, the total amount of the donations; and
- the amount returned to the overseas person or paid to the Electoral Commission, and the date that such payment was made.

PART G: OTHER PARTY DONATIONS UP TO \$15,000

Instructions for Part G – Other party donations up to \$15,000

The total number and value of other party donations received in the following bands must be disclosed in **Part G**:

- anonymous party donations of \$1,500 or less
- party donations of more than \$1,500 up to and including \$5,000
- party donations of more than \$5,000 up to and including \$15,000.

Although aggregation is generally required for donations there is no requirement to aggregate donations from the same donor for the purposes of determining what donations to include and in which band in **Part G**. If a donor has made more than one donation in a category each donation should be counted separately when calculating the number of donations.

Example:

If you received two donations of \$3,000 from the same donor in the calendar year, these should be recorded as two donations in the 'Donations exceeding \$1,500 but not exceeding \$5,000' band.

Party Loans exceeding \$15,000

A party loan is a written or oral agreement under which a lender lends money to a political party. Money lent by a registered bank at a commercial interest rate is not a party loan, nor are credit cards and overdraft facilities with registered banks.

Instructions for Part H - Party loans exceeding \$15,000

Party loans from the same lender exceeding \$15,000 entered into during the year (including those exceeding \$30,000 that have been reported during the year under section 214F) must be reported in Part H.

Loans from the same lender need to be aggregated. Include loans entered into during the year not exceeding \$15,000, but that exceed \$15,000 when aggregated with all other loans from the same lender during 2020 or unpaid balances as at 31 December 2020 of any loans provided by the same lender in any previous year (from 25 March 2014).

Independent Auditor's Report

To the Party Secretary of the Advance New Zealand Party

Report on the Party Donations and Loans Return of Advance New Zealand Party

We have audited the attached Return of Party Donations and Loans (the "Return") prepared by the Advance New Zealand Party for the period 6th August 2020 to 31 December 2020. The Return is stated to be prepared in accordance with section 210 and section 214C of the Electoral Act 1993. The Return provides information about party donations and Loans made to Advance New Zealand Party.

This Audit Report is made solely to the Party Secretary. Our audit has been undertaken so that we might state to the Party Secretary those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Party Secretary, for our audit work, for this report, or for the opinions we have formed.

Party Secretary's Responsibilities

The Party Secretary of Advance New Zealand Party is responsible for the preparation of the Return under section 210 and section 214C which fairly reflects the party donations and Loans received by Advance New Zealand Party for the period 6th August 2020 to 31 December 2020, for such internal control as the Party Secretary determines is necessary to enable the preparation of a Return that is free from material misstatements, whether due to fraud or error and to ensure that the Electoral Commission receives the Return in compliance under the Electoral Act 1993.

Auditor's Responsibilities

Our responsibility is to express an opinion on the Return in terms of the requirements of Section 210 and 214C of the Electoral Act 1993, in all material respects. Our engagement has been conducted in accordance with SAE 3100 (Revised) to provide reasonable assurance that the Party's Return has complied with section 210 and section 214C of the Electoral Act 1993.

Our procedures were conducted in accordance with International Auditing Standards (New Zealand). These procedures have been undertaken to form an opinion as to whether Advance New Zealand Party has complied, in all material respects, with Section 210 and 214C of the Electoral Act 1993 for the period 6th August 2020 to 31st December 2020.

Our Independence and Quality Control

We have complied with the relevant ethical requirements of Professional and Ethical Standard 1 – International Code of Ethics for Assurance Practitioners (including International Independence Standards) (New Zealand), relating to assurance engagements, which include independence and other requirements founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality, and professional behaviour.

In accordance with the Professional and Ethical Standard 3 (Amended), Audit Services Chartered Accountants Limited maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Relationships with or interests in Advance New Zealand Party

Other than in our capacity as an auditor to report on Party Donations and Loans Return for the period 6th August 2020 to 31st December 2020, we have no relationship with, or interests in, Advance New Zealand Party.

Use of Report

This report has been prepared for the Secretary of Advance New Zealand Party. We disclaim any assumption of responsibility for any reliance on this report to any persons or users other than the Secretary of Advance New Zealand Party, or for any purpose other than that for which it was prepared.

Basis for Disclaimer of Opinion

An audit would ordinarily involve performing procedures to obtain audit evidence about the position disclosed in the Return in accordance with section 210 and 214C of the Electoral Act 1993. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Return, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of and fair presentation of the Return in order to design audit procedures that are appropriate in the circumstances, but not the purpose of expressing an opinion on the effectiveness of the entity's internal control.

We are unable to form an opinion on the Return for the following reasons:

- Donation income belongs to an organization once it is received, but there are generally no practical procedures available to give an auditor assurance that all income of this nature, whether in the form of cash or as donated goods and services, received by an organisation receiving significant amounts of donations usually qualify their audit opinion to reflect the practical limitations of an audit in this area.
- We are not the auditor of the Party Electorate Committees or branches, our scope was therefore limited in respect of assessing the completeness of donations and

loans which may have been received and established at Local Electorate Committees or branch level.

- Further, per s 210(1)(d) of the Electoral Act 1993, donations received from an overseas person are required to be disclosed separately in Part E and Part G of the Return. Due to the nature of how donations are generally received, controls over determining the residency status of donors is limited and there are no practical procedures to determine the effect of this limited control.

Due to the nature of the limitations above, we do not believe there is further information that can be provided to us by the Party which would allow us to determine the effect of these limited controls.

Disclaimer of Opinion

Because of the potential effect of these limitations on the evidence available to us, we are unable to form an opinion on the Return of Party Donations and Loans of Advance New Zealand Party for the period from 6th August 2020 to 31 December 2020.

In forming our opinion, we were reliant on the information provided to us by the Party Secretary.

Other Matters

Per the Electoral Act 1993

- We found nothing to suggest that proper accounting records were not kept and when questions were put to the Party Secretary, we received all the explanations we required.

<i>What was the difference between the contract price and the reasonable market value (including GST) of any goods or services provided to the party at a discount?</i>	Where the reasonable market value is more than \$1,500, or \$50 where the donor is an overseas person, the difference in value (discount) is a donation.
<i>What was the difference between the contract price and the reasonable market value (including GST) of any goods or services provided by the party at a premium?</i>	The difference in value (premium) is a donation.
<i>What was the value to the party of the terms and conditions of any credit provided to the party on more favourable terms and conditions than prevailed at the time?</i>	The value to the party of the more favourable terms and conditions is a donation.
<i>Do any of the donations identified above, or components of those donations, fall within the party donation exclusions?</i>	A party donation does not include: <ul style="list-style-type: none"> • the labour of any person provided free of charge by that person • goods or services provided free of charge, or which have a reasonable market value of \$1,500 or less or of \$50 or less if the goods or services are being provided by an overseas person • any candidate donation that is included in a candidate donation return filed under section 209 Do not include these items in the calculation of party donations.

	[section 207 definition of party donation at paragraph (b)]
Apart from donations protected from disclosure, which persons made donations to the party and which persons made contributions to a donation? [section 210(1)]	
NOTE: whether an intermediary is a transmitter of a donation on behalf of a donor, or is a donor making a donation funded from contributions, will be a question of fact taking into account all of the provisions pertaining to transmitters and contributions.	
Did person A make the donation directly to the party (or any person or organisation involved in the administration of the affairs of the party)?	If yes: Person A is a "donor" and made a "donation". Include this donation in the calculation of donations from person A. [section 207 definition of donor and definition of party donation]
If no: Did person A give their donation to another person or organisation (person B) to forward on (transmit) to the party?	If yes: Person A is a "donor" and made a "donation". Include this donation in the calculation of donations from person A. Person B is a "transmitter" and is not a donor. Do not include this transmission in the calculation of donations or contributions from person B. [section 207 definition of donor and definition of transmitter, and section 207B]
If no: Did person A give their donation to another person or organisation (person C) with the knowledge or expectation that it would be wholly or partly applied to funding a donation to the party?	If yes: Person A is a "contributor" and made a "contribution to a donation". Include this contribution in the calculation of contributions to donations from person A. Person C is a "donor" and made a "donation". Include the donation that person A contributed to (that is, the entire donation that was given to the party by person C) in the calculation of donations from person C. [section 207 definition of contribution and definition of contributor, and section 207C]
Which donations must be included in the return? [section 210]
