Party Donations

A party donation is a donation of money, goods or services that is made to a party.
A party donation includes:

- where a party is provided with goods or services free of charge that have a reasonable market value of more than \$1,500 (or \$50 if provided by an overseas person – see Part D for more information on who is an overseas person)
- where a party is provided with discounted goods or services and the reasonable market value of the goods or services is greater than \$1,500 (or \$50 if provided by an overseas person); the difference between the contract or agreed price and the reasonable market value of the goods or services is a donation

- when a party sells over-valued goods or services, the difference between the price paid and the reasonable market value is a donation (for example a fundraising auction or dinner)
- where credit is provided to a party on more favourable terms than those prevailing at the same time for similar credit, the value of the favourable terms is a donation.

The following are not a party donation:

- volunteer labour
- goods or services provided free of charge to a party, or to any person on the party's behalf, that have a reasonable market value of \$1,500 or less (or \$50 or less if from an overseas person), or
- a candidate donation that is included in a candidate's return of donations.

PART A: PARTY DONATIONS OF MORE THAN \$15,000

Instruction for Part A – Donations over \$15,000

Party donations of more than \$15,000 (including GST) received during 2020 are required to be declared in **Part A**, including a series of donations received from the same donor during the year that add up to more than \$15,000. Also include those donations exceeding \$30,000 received during the year and reported under section 210C.

Do not include in **Part A** contributions to donations, anonymous or overseas donations, donations protected from disclosure, or donations not exceeding \$15,000 (see **Parts B, C, D, E, F and G**).

You need to record the name and street address of the donor, the date the donation was received and the amount received from the donor. Where you have received a number of donations from the same donor you should include each date on which a donation was received from the donor and the aggregated total from the donor. You also need to confirm whether any person (other than the donor) has contributed more than \$15,000 to the donation (or more than \$50 if the contributor is an overseas person). Contributions of more than \$15,000 must be disclosed in **Part B** (or **Part E** for overseas contributors).

For any donations from a trust, include the name of the person at whose direction the donation was made.

Instructions for Part C – Anonymous donations over \$1,500

An anonymous donation is a donation made in such a way that the party who receives the donation does not know the identity of the donor and could not, in the circumstances, reasonably be expected to know the identity of the donor.

If an anonymous donation is over \$1,500 the party is entitled to keep \$1,500. The balance of the donation must, within 20 working days of receipt, be paid to the Electoral Commission for payment into a Crown bank account.

Anonymous overseas donations over \$50

Where you have reasonable grounds to suspect the anonymous donor is an overseas person, the party is entitled to keep \$50. The balance of the payment

must be paid to the Electoral Commission for payment into a Crown bank account. Please see Part D for more information on who is an overseas person.

In **Part C** you must declare:

- the date the donation was received; and
- the amount received; and
- the amount paid to the Electoral Commission; and
- the date payment was made to the Electoral Commission.

If a donation from an overseas person is over \$50 (either on its own or when aggregated with all other donations made by or on behalf of the same overseas person during the year) the party is entitled to keep \$50 and within 20 working days must either return the excess to the donor or pay the excess to the Electoral Commission.

In **Part D** you must declare:

- the name and street address of the overseas person; and
- the date the donation was received or, in the case of multiple donations, the date each donation was received; and
- the amount of the donation or, in the case of aggregated donations, the total amount of the donations; and
- the amount returned to the overseas person or paid to the Electoral Commission, and the date that such payment was made.

PART F: DONATIONS PROTECTED FROM DISCLOSURE

Instructions for Part F – Donations protected from disclosure

A donation protected from disclosure enables a person to make an anonymous donation of more than \$1,500 to a registered party without their identity being disclosed to either the public or the party receiving the donation.

The current maximum amount that an individual or body can donate to any one party through this process is \$48,441 between two successive elections. No party may currently receive more than \$322,940 from donations protected from disclosure between two successive elections.

- In **Part F** you must declare:
- the date the payment was received
 - the amount of the payment
 - the amount of any interest included in the payment

Instructions for Part G – Other party donations up to \$15,000

- anonymous party donations of \$1,500 or less
- party donations of more than \$1,500 up to and including \$5,000
- party donations of more than \$5,000 up to and including \$15,000.

Although aggregation is generally required for donations there is no requirement to aggregate donations from the same donor for the purposes of determining what donations to include and in which band in **Part G**. If a donor has made more than one donation in a category each donation should be counted separately when calculating the number of donations.

Example:

If you received two donations of \$3,000 from the same donor in the calendar year, these should be recorded as two donations in the 'Donations exceeding \$1,500 but not exceeding \$5,000' band.

Party Loans exceeding \$15,000

A party loan is a written or oral agreement under which a lender lends money to a political party. Money lent by a registered bank at a commercial interest rate is not a party loan, nor are credit cards and overdraft facilities with registered banks.

PART H: PARTY LOANS EXCEEDING \$15,000

Instructions for Part H – Party loans exceeding \$15,000

Party loans from the same lender exceeding \$15,000 entered into during the year (including those exceeding \$30,000 that have been reported during the year under section 214F) must be reported in **Part H**.

Loans from the same lender need to be aggregated. Include loans entered into during the year not exceeding \$15,000, but that exceed \$15,000 when aggregated with all other loans from the same lender during 2020 or unpaid balances as at 31 December 2020 of any loans provided by the same lender in any previous year (from 25 March 2014).

**INDEPENDENT ASSURANCE REPORT
TO THE PARTY SECRETARY OF THE MAORI PARTY**

Qualified Opinion

We have undertaken a reasonable assurance engagement on the The Maori Party (the "Party") compliance, in all material respects, with sections 210 and 214C of the Electoral Act 1993 (the "Act"), as evaluated against the Party Donations and Loans Return for the year ended 31 December 2020 (the "Return").

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the Party has complied in all material respects, with the section 210 and section 214C of the Electoral Act 1993 as evaluated against the Return throughout the specified period from 1 January 2020 to 31 December 2020.

Basis for Qualified Opinion

We were unable to obtain sufficient appropriate evidence about the Party's compliance with section 210 and section 214C of the Electoral Act 1993 due to the following limitations:

- Donation income belongs to an organisation once it is received, but there are generally no practical procedures available to determine that all income of this nature, whether in the form of cash or as donated/discounted goods and services, received by an organisation is actually recorded by that entity. Accordingly, an auditor of an organisation receiving significant amounts of donations usually qualifies their opinions to reflect the practical limitations of an audit in this area.
- We are not the auditor of the Party Electorate Committees or branches, our scope was therefore limited in respect of assessing the completeness of donations and loans which may have been received and established at Local Electorate Committees or branch level.
- In addition, per s 210(1)(d) of the Electoral Act 1993, donations received from an overseas person are required to be disclosed separately in Part E and Part G of the Return. Due to the nature of how donations are generally received, controls over determining the residency status of donors is limited and there are no practical procedures to determine the effect of this limited control.

Due to the nature of the limitations above, we do not believe there is further information that can be provided to us by the Party to allow us to determine the effects of these limited controls. As a result of these matters, we were unable to determine whether any adjustments might have been found necessary in respect of unrecorded election donations or loans.

Party Secretary's Responsibilities

The Party Secretary is responsible for:

- a) Preparation of the Return in compliance with the requirements of the Act.
- b) The compliance activity undertaken to meet the requirements of the Act; and
- c) Identification of risks that threaten compliance with the Act identified above being met and controls which will mitigate those risks and monitor ongoing compliance.

Our Independence and Quality Control

We have complied with the relevant ethical requirements relating to assurance engagements, which include independence and other requirements founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour.

In accordance with the Professional and Ethical Standard 3 (Amended) BDO Rotorua Limited maintains a comprehensive system of quality control including documented policies and procedures

regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Assurance Practitioner's Responsibilities

Our responsibility is to express an opinion on the Party's compliance, in all material respects, with the requirements of the Act as evaluated against the return, throughout the specified period. SAE 3100 (Revised) requires that we plan and perform our procedures to obtain reasonable assurance about whether the Party has complied, in all material respects, with the requirements of the Act as evaluated against the return, throughout the specified period.

An assurance engagement to report on the Party's compliance with the requirements of the Act involves performing procedures to obtain evidence about the compliance activity and controls implemented to meet the requirements of the Act. The procedures selected depend on our judgement, including the identification and assessment of risks of material non-compliance with the requirements of the Act as evaluated against the return.

Our firm carries out other assignments for the Party in the area of audit of the financial statements, expense return and taxation advice. The firm has no other relationship with, or interests in, the Party.

Because of the matter described in the Basis for Qualified Opinion paragraph, we are not able to obtain sufficient appropriate audit evidence to provide a basis for a reasonable assurance opinion on the Party's compliance with the Act as evaluated against the return.

Inherent Limitations

Because of the inherent limitations of an assurance engagement, together with the internal control structure it is possible that fraud, error, or non-compliance with compliance requirements may occur and not be detected.

A reasonable assurance engagement throughout the specified period does not provide assurance on whether compliance with the requirements of the Act will continue in the future.

Use of Report

This report has been prepared for use by the Party Secretary for the purpose of establishing that the election donations and loans reported by the Party in the return have been appropriately determined for the purpose intended. We disclaim any assumption of responsibility for any reliance on this report to any person other than the Party Secretary, or for any other purpose other than that for which it was prepared.

I confirm and take responsibility for the following representations after taking all reasonable steps to assure myself of them:

- 1 The return has been prepared in accordance with the relevant provisions of the Act.
- 2 I acknowledge my responsibility for the preparation of the return in compliance with the Act, including identifying the risks that threaten the compliance requirements being met, and designing, implementing and maintaining internal controls to mitigate those risks, including the risk of fraud, so that those risks will not prevent achievement of the compliance requirements.
- 3 I am responsible for establishing and maintaining a system of internal control designed to provide reasonable assurance as to the integrity and reliability of the return. I have done this, and all explanations or demonstrations of this to you have been complete and accurate.
- 4 All records, documents, and accounts (records) have been kept by the Party (including subsidiary entities) and made available to you, and these materials will be retained in accordance with the requirements of the Act.
- 5 For all donations over \$50 (other than anonymous donations), I have established and implemented processes to ensure that all reasonable steps in the circumstances have been taken to check whether a donation is made by or on behalf of an overseas person or includes a contribution made by or on behalf of an overseas person.
- 6 I have disclosed to you to the best of my knowledge:
 - 6.1 any material transactions not disclosed in the records;

6.2 any alleged, suspected or proven illegal activity under the Act or other legislation potentially relevant to the return or instances of non-compliance with applicable requirements;

6.3 the fact of, and results from, any assessment made by me that considered whether the records of the Party may be materially misstated or incomplete for any reason; and

6.4 any design deficiencies in the compliance system and instances where that system has not operated as described

6.5 any events subsequent to the date of this letter that could have a significant effect on the assurance practitioner's conclusion.

7 The return contains the total returnable donations received by the Party in the 2020 calendar year or for parties registered during 2020, from the date of registration to 31 December. The return includes:

7.1 donations in the form of money, goods or services paid for by others, discounts given on goods or services provided to the party, premiums paid in respect of good or services provided by the party, and credit provided to the party at terms more favourable than the prevailing commercial terms, including the value of GST on any of those items;

7.2 donations of more than \$15,000 in aggregate from an individual donor;

7.3 donation contributions of more than \$1,500 from an individual contributor that add up to more than \$15,000 in aggregate from that contributor;

7.4 anonymous party donations of more than \$1,500 or more than \$50 in any case where the party secretary has reasonable grounds to suspect the donor is an overseas person;

7.5 overseas donations of more than \$50;

7.6 donation contributions from an overseas person of more than \$50;

7.7 payments received from the Electoral Commission of donations protected from disclosure;

7.8 the number of, and aggregate amount of, anonymous donations of \$1,500 or less;

7.9 the number of, and aggregate amount of, donations of more than \$1,500 but not more than \$5,000;

7.10 the number of, and aggregate amount of, donations of more than \$5,000 but not more than \$15,000.

8 The return includes:

8.1 Any loans entered into during the year that exceed \$15,000;

8.2 Any loans exceeding \$15,000 entered into in any previous year (from 25 March 2014) that have an unpaid balance exceeding \$15,000 as at 31 December 2020;

8.3 Any loans entered into during the year of less than or equal to \$15,000 if the loan exceeds \$15,000 when aggregated with all other loans entered into during the year by

the same lender and any unpaid balances of any loans from the same lender in any previous year (from 25 March 2014);

8.4 The number and aggregate amount of all other loans entered into during the year of not less than \$1,500 and not more than \$15,000.

9 The return's contents have been determined by considering the questions set out in the Appendix to this letter and the relevant provisions of the Act.

10 Where an assessment has been made of the reasonable market value of a donation, the basis of the assessment is fair and appropriate, and has been properly applied and recorded.

11 Any and all misstatements you have identified during the course of your assurance engagement have been adjusted in the final return.

12 I have completed my own procedures, distinct from your assurance engagement processes, to evaluate the accuracy and completeness of the return.

APPENDIX to Letter of Representation

The return's contents have been determined by considering, in the following sequence, these questions and the relevant provisions of the Act:

<i>What benefits to the party were donations?</i> [sections 3, 207 and 207A]	
<i>Was the donation made to the party or to any person or organisation on behalf of the party?</i>	The party is the registered political party. Apart from candidate donations, all donations received throughout the party administration whether at the national or local level (or other subsidiary entities) must be recorded as being received by the party. The only segment of political parties recognised distinctly in electoral law is candidates.
<i>What gifts of money did the party receive?</i>	Donations include any money donated to the party, regardless of method of payment. This includes donations protected from disclosure.
