DONATIONS Complete Parts A to G

Party Donations

A party donation is a donation of money, goods or services that is made to a party. A party donation includes:

- where a party is provided with goods or services free of charge that have a reasonable market value of more than \$1,500 (or \$50 if provided by an overseas person – see Part D for more information on who is an overseas person)
- where a party is provided with discounted goods or services and the reasonable market value of the goods or services is greater than \$1,500 (or \$50 if provided by an overseas person); the difference between the contract or agreed price and the reasonable market value of the goods or services is a donation

- when a party sells over-valued goods or services, the difference between the price paid and the reasonable market value is a donation (for example a fundraising auction or dinner)
- where credit is provided to a party on more favourable terms than those prevailing at the same time for similar credit, the value of the favourable terms is a donation.

The following are not a party donation:

- volunteer labour
- goods or services provided free of charge to a party, or to any person on the party's behalf, that have a reasonable market value of \$1,500 or less (or \$50 or less if from an overseas person), or
- a candidate donation that is included in a candidate's return of donations.

PART A: PARTY DONATIONS OF MORE THAN \$15,000

Instruction for Part A – Donations over \$15,000

Party donations of more than \$15,000 (including GST) received during 2020 are required to be declared in **Part A**, including a series of donations received from the same donor during the year that add up to more than \$15,000. Also include those donations exceeding \$30,000 received during the year and reported under section 210C.

Do not include in **Part A** contributions to donations, anonymous or overseas donations, donations protected from disclosure, or donations not exceeding \$15,000 (see **Parts B, C, D, E, F and G**).

You need to record the name and street address of the donor, the date the donation was received and the amount received from the donor. Where you have received a number of donations from the same donor you should include each date on which a donation was received from the donor and the aggregated total from the donor. You also need to confirm whether any person (other than the donor) has contributed more than \$15,000 to the donation (or more than \$50 if the contributor is an overseas person). Contributions of more than \$15,000 must be disclosed in **Part B** (or **Part E** for overseas contributors).

For any donations from a trust, include the name of the person at whose direction the donation was made.

PART C: ANONYMOUS PARTY DONATIONS OF MORE THAN \$1,500

Instructions for Part C - Anonymous donations over \$1,500

An anonymous donation is a donation made in such a way that the party who receives the donation does not know the identity of the donor and could not, in the circumstances, reasonably be expected to know the identity of the donor.

If an anonymous donation is over \$1,500 the party is entitled to keep \$1,500. The balance of the donation must, within 20 working days of receipt, be paid to the Electoral Commission for payment into a Crown bank account.

Anonymous overseas donations over \$50

Where you have reasonable grounds to suspect the anonymous donor is an overseas person, the party is entitled to keep \$50. The balance of the payment

must be paid to the Electoral Commission for payment into a Crown bank account. Please see Part D for more information on who is an overseas person.

In **Part C** you must declare:

- the date the donation was received; and
- the amount received; and
- the amount paid to the Electoral Commission; and
- the date payment was made to the Electoral Commission.

PART D: OVERSEAS PARTY DONATIONS OF MORE THAN \$50

Instructions for Part D - Overseas donations over \$50

Donations from an overseas person

An overseas person is:

- an individual who resides outside New Zealand and is not a New Zealand citizen or registered elector, or
- a body corporate incorporated outside New Zealand; or
- an unincorporated body that has its head office or principal place of business outside New Zealand.

On 1 January 2020, the Electoral Act 1993 was amended to lower the overseas donation threshold from \$1,500 to \$50. If a donation from an overseas person is over \$50 (either on its own or when aggregated with all other donations made by or on behalf of the same overseas person during the year) the party is entitled to keep \$50 and within 20 working days must either return the excess to the donor or pay the excess to the Electoral Commission.

In Part D you must declare:

- the name and street address of the overseas person; and
- the date the donation was received or, in the case of multiple donations, the date each donation was received; and
- the amount of the donation or, in the case of aggregated donations, the total amount of the donations; and
- the amount returned to the overseas person or paid to the Electoral Commission, and the date that such payment was made.

Instructions for Part E - Overseas contributions over \$50

If you receive any donation from a donor who is not an overseas person that includes a contribution from an overseas person greater than \$50 (either on its own or when aggregated with other contributions to the donation by the same overseas person), you must return the whole donation to the donor. If that is not possible, you must forward the whole donation to the Electoral Commission.

In **Part E** you must declare:

- the name and street address of the overseas person; and
- the amount of the contribution or, in the total amount of aggregated contributions; and
- the date the donation was received or, in the case of multiple donations, the date each donation was received; and

PART F: DONATIONS PROTECTED FROM DISCLOSURE

Instructions for Part F – Donations protected from disclosure

A donation protected from disclosure enables a person to make an anonymous donation of more than \$1,500 to a registered party without their identity being disclosed to either the public or the party receiving the donation.

The current maximum amount that an individual or body can donate to any one party through this process is \$48,441 between two successive elections. No party may currently receive more than \$322,940 from donations protected from disclosure between two successive elections.

In Part F you must declare:

PART G: OTHER PARTY DONATIONS UP TO \$15,000

Instructions for Part G – Other party donations up to \$15,000

The total number and value of other party donations received in the following bands must be disclosed in **Part G**:

- anonymous party donations of \$1,500 or less
- party donations of more than \$1,500 up to and including \$5,000
- party donations of more than \$5,000 up to and including \$15,000.

Although aggregation is generally required for donations there is no requirement to aggregate donations from the same donor for the purposes of determining what donations to include and in which band in **Part G**. If a donor has made more than one donation in a category each donation should be counted separately when calculating the number of donations.

Example:

If you received two donations of \$3,000 from the same donor in the calendar year, these should be recorded as two donations in the 'Donations exceeding \$1,500 but not exceeding \$5,000' band.

LOANS Complete Parts H and I

Party Loans exceeding \$15,000

A party loan is a written or oral agreement under which a lender lends money to a political party. Money lent by a registered bank at a commercial interest rate is not a party loan, nor are credit cards and overdraft facilities with registered banks.

Instructions for Part H - Party loans exceeding \$15,000

Party loans from the same lender exceeding \$15,000 entered into during the year (including those exceeding \$30,000 that have been reported during the year under section 214F) must be reported in Part H.

Loans from the same lender need to be aggregated. Include loans entered into during the year not exceeding \$15,000, but that exceed \$15,000 when aggregated with all other loans from the same lender during 2020 or unpaid balances as at 31 December 2020 of any loans provided by the same lender in any previous year (from 25 March 2014).

Sustainable New Zealand Party

Independent assurance practitioner's reasonable assurance report to the Secretary of the Party

We have undertaken a reasonable assurance engagement on Sustainable New Zealand Party's ("the Party") compliance, in all material respects, with the requirements of section 210 and section 214C of the Electoral Act 1993 ("the Act") as evaluated against the Donations and Loans Return ("the Return") for the period 1 January 2020 – 31 December 2020.

Basis for Qualified Opinion

We conducted our engagement in accordance with International Standard on Assurance Engagements (New Zealand) (ISAE (NZ)) 3100, *Assurance Engagements Other than Audits or Reviews of Historical Financial Information*.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

We were unable to obtain sufficient appropriate evidence about the Party's return in respect to the following matters:

- The Return includes donation revenue for which limited controls exist prior to the funds being received in the accounting records of the Party. There were no practical procedures available to confirm the completeness of this revenue, and accordingly we were unable to obtain sufficient appropriate evidence in this regard. Consequently, we were unable to determine any adjustments required to this revenue recorded was necessary, and;
- Section 210(1)(d) of the Electoral Act 1993 requires that donations received from an overseas person are separately identified in the Return. The nature of the manner in which such donation income is received means controls over determining the residency status of donors are limited and accordingly there are no practical procedures to determine the effects of this limited control.

Party Responsibility

The Party are responsible for:

- the preparation of the Return in accordance with the requirements of the Act;
- the identification of any risks which may prevent compliance with the Act and the implementation of suitable controls to mitigate these risks, and compliance with these controls

Assurance Practitioner's Responsibility

Our responsibility is to express an opinion on the Party's compliance, in all material respects, with the during the period 1 January 2020 – 31 December 2020. We conducted our reasonable assurance engagement review in accordance with International Standard on Assurance Engagements (New Zealand) (ISAE (NZ)) 3100, *Assurance Engagements Other than Audits or Reviews of Historical Financial Information*.

An assurance engagement to report on the Party's compliance with the Act involves performing procedures to obtain evidence about the controls implemented to meet the requirements of the Act. The procedures we perform are based on our judgement and our assessment of risks of material non compliance with the Act.

This report has been prepared solely for the Party Secretary to enable the Party to meet its requirements under the Act. We do not accept any duty, liability or responsibility to anyone other than the Party Secretary in relation to this report. This report is not to be used for any other purpose, recited or referred to in any document, copied or made available (in whole or in part) to any other person without our prior written consent. We accept or assume no duty, responsibility, or liability to any party, other than the Party Secretary, in connection with this report, including without limitation, liability for negligence.

Because of the inherent limitations of any assurance engagement, it is possible that fraud, error or non compliance may occur and not be detected.

Other than in our capacity as independent assurance practitioner for the purpose of this report, we have no relationship with, or interests in, the Party.

 - 8.4 The number and aggregate amount of all other loans entered into during the year of not less than \$1,500 and not more than \$15,000.
