Your counter-objection and reasons. Please attach additional documents if required.

My objection is that the present name of Whanganui District Council or South Taranaki District Council whichever is related to aptly describes the situation and area concerned. I was a Patea County Councillor in 1989 when the amalgamation process took place which caused much confusion and despite being told that bigger would be better, both economically and maintenance wise, that was not the case and as far as I can see, costs have been rising ever since. I am instantly aware of the area being discussed when one speaks about either of the above council areas and for that reason alone I am objecting to any change.

Your suggested solution. Please attach additional documents if required.

leave both areas have mentioned as they are.
