## DONATIONS Complete Parts A to E

### Information on Candidate Donations

Candidates are required to include in the candidate return every candidate donation or contribution to a candidate donation of more than \$1,500 (including GST), including a series of donations or contributions made by one person that adds up to more than \$1,500.

#### Candidate donations

Volunteer labour or free goods or services given to a candidate that have a reasonable market value of \$300 or less are not a candidate donation. Nor is money provided by the candidate for his or her own campaign.

#### Instructions for Part A

For donations of more than \$1,500 (other than anonymous donations or overseas donations) you need to record the name and street address of the donor, the date the donation was received and the amount received from the donor.

If you have received a number of donations from the same donor you should note each date on which a donation was received from the donor and the total from the donor. Aggregated donations are not contributions and are to be recorded in Part B.

You also need to confirm whether any person (other than the donor) has contributed more than \$1,500 to the donation. Contributions of more than \$1,500
